operated by Irish ferries, Irish sea, Rosslare - Pembroke Other service activities | info@matrixlv.com | www.matrixshipmanagement.com |
Kr.Barona street 36-24, LV – 1010, Riga, Latvia

The ferry had quite fast traffic line, which contained only 4 hours of crossing, through various weather conditions and could handle around 150 cargo trucks and maximum 1500 passengers. I was working as a steward in various departments, which included: Accommodation (Cabins, crew and passenger areas), galley and self service restaurant called "Boylands".

09/03/2013 – 31/10/2013 – Basel, Switzerland

RESTAURANT WAITER, CABIN ATTENDANT – SCYLLA AG, A river cruise ship "Swiss Emerald", river in France, De Rhone, Paris-Lyon-Marsel Other service activities | www.scylla.ch | Uferstrasse 90, CH-4019, Basel, Switzerland

I was in charge to attend the cabins every morning and do the room service: general cleaning, tidying, refilling all the stuff, making beds and etc. After that, I'd go to the restaurant for serving lunch, cleaning up the restaurant area, setting up tables. The main thing was in the evening, when the dinner had been served: meeting guests, escorting them to the tables, refilling the wines, serving food both in the dinner party and in the captain's dinner. After that, I'd set up tables and prepare all stuff for the breakfast. The service was on high quality and could handle maximum 120 passengers, which some of them were really aware of the food. (Having gluten free, lactose free or other kind of allergies). The passengers were only english speaking, so the service was quite slow, delicate and exciting.

05/07/2012 – 08/08/2012 – Esbjerg, Denmark

STEWARD – NT-Offshore, telephone number: +4546931690 , Floating hotel, "Regina Baltica", North sea. Other service activities | Havgigvej 7, DK-6700, Esbjerg, Denmark

I worked in housekeeping team on board as a daytime floater, doing the cleaning on the vessel both in cabins and in public areas, including the passenger and crew restaurants.

01/08/2011 – 10/04/2012 – Klaipeda, Lithuania

RESTAURANT STEWARD – Sailinga, telephone number: +37069942482, A small cruise ship "Hebridean Princess", operated by Hebridean isles cruises, Irish-British waters Other service activities | crewing@sailinga.lt | www.sailinga.lt | Tulpių g. 21, LT - 91210, Klaipeda, Lithuania

26/04/2011 –

I had been working as a waiter in Columbia restaurant, where service was of a very high standard (5*service) with all guests being attended for any needs required. The day would start from serving breakfast, cleaning up the tables and restaurant area, making setup for another service in the afternoon, then doing the same thing again, preparing for the dinner. The menu was in "a la carte" style: just two appetizers, two soups, three main courses, two desserts. The restaurant could engage maximum 54 passengers.

28/06/2011 – Cork, Ireland

STEWARD – Fastnetline , Passenger vessel "Julia Hamilton", Irish sea, Swansea - Cork Other service activities | www.fastnetshipping.com | Ferry port, Ringaskiddy, Cork, Ireland

I worked as a buffet steward in self-service restaurant called "Mumbles", making wide service of the food and beverage with my colleagues for about 1000 passengers.

01/09/2010 – 10/03/2011 – Southampton, United Kingdom

BUFFET STEWARD – CUNARD , Cruise liners "Queen Victoria", "Queen Elizabeth", All around the world waters Other service activities | www.cunard.com | Carnival house, 100 Harbour parade, SO15 1ST, Southampton, United Kingdom

I was working in a room service department, being in charge of all restaurant equipment, setting up trays with the food in dispatch area, then delivering them to the cabins. Also, sometimes, I gave a hand for waiters in Britannia restaurant and Queen's grill. This cruise ship was very big and could handle around 3000 passengers per one cruise, so as a room service steward, I was obliged to make a fast and delicate service with no exceptions.
