About Me

Dear maritime companies, My name is Valeriy, and I am a young and passionate alternative chef eager to expand my experience in the maritime industry. I have had the privilege of working with diverse multinational crews, including Filipinos, Georgians, Italians, Russians, and Ukrainians. This experience has enriched my culinary skills and adaptability in an international environment. I do my best in my work and always strive to deliver high-quality meals, ensuring variety and taste for the crew. My English is at a basic level, but I am always open to learning and improving. I am currently taking a course of English. I would be happy to consider any opportunities and look forward to bringing my skills and enthusiasm to your team. Best regards, Valeriy
