About Me & Skills

I am a capable, responsible, and purposeful person with strong teamwork and communication skills. I am punctual, honest, and always strive for high-quality work. Mechanical engineering – both cars and ships – has been my passion from a young age. I easily adapt to team environments, take leadership when needed, and enjoy learning and developing through challenging tasks.

Hobbies & Interests

Sports: Football (10 years of practice, competitive experience), table tennis

Music: Professional guitar playing
