International Airport**About Me**

I have extensive experience as Second Engineer, having worked for many years on MAN B&W ME engines, gaining solid expertise in their operation and maintenance. I also served for two years as a Technical Manager at Brothers Maritime Trading Co. s.a, where I supervised technical operations and ensured vessel readiness according to the highest standards. With my strong technical and managerial background, I am fully prepared to take on the role of Chief Engineer with high competence and professionalism.
