About Me

I have been working at sea for over 5 years, I have seen many different people, I find it easy to find a common language with people. I have learned a lot of new things at work, I always do my job at the highest level and strive for perfection. I am quite motivated and goal-oriented, my mind is always cold and clear. I know such languages as Ukrainian, Russian, Romanian, English and also have two citizenships of Ukraine and Romania.
