I was born on August 27, 1959 in Dubrovnik, Croatia. My professional career began in 1978 as a cadet engineer. From 1979 to 1987 I sailed as fourth and third engineer on bulk and general cargo ships. From 1987 to 2001 I sailed as second engineer on bulk, general cargo and container ships. From 2001 to 2012 I sailed as second and first engineer on dredgers. From 2013 to 2024 I sailed as chief engineer on dredgers. I am looking forward to a temporary or permanent job as an engineer, preferably as chief engineer. My documents and certificates are valid. I am currently at home and available for employment if there is a vacancy for me.
