About Me

I work 17 years at sea. Started with two contracts on a yacht and then with Cruise Luxury ships. After many successful years in hospitality and passenger service, I am now looking to continue my career in the offshore industry. I am interested in this field because it is more organized and dynamic, and I enjoy working in a strong team with clear structure and responsibility. I would like to use my experience in catering, service, and daily crew support to bring comfort and quality service to people working in offshore fleet. My goal is to grow in this industry, gain new experience, and become a reliable part of a professional offshore crew. I have good work experience and motivation to work. I'm responsible, cheerful, positive, and easy to contact people. Strong team-worker and problem-solving skills. I have been working for all positions, from service and housekeeping for passengers, crewmess area, laundry, galley, and charters. I am fully prepared to complete any required training, documents, or certificates needed for employment in the offshore fleet.
