Bulktech

Conscience 26.08.2024/ 29.03.2025 Gmdss R.Off

CV

Apart from the vessel *Port Capri*, on all ships I served, there was no 2nd Officer. Therefore, in addition to my duties as Radio Officer, I also fulfilled the responsibilities of a 2nd Officer. In this regard, I gained experience in ISM, chart corrections, and documentation, and I have no deficiencies in these areas.

I also possess the required knowledge and experience in the safety section of the deck department..
