Professional Summary

Experienced Chief Officer / DPO with over 10 years in offshore and merchant fleet operations. Proven background working on large offshore units including pipelay barges, AHTS, OCV, research, seismic, and cable laying vessels. Skilled in subsea support operations such as ROV, diving, trenching, backfilling, geotechnical drilling and CPT (Cone Penetration Testing) under DP mode.

Holder of Chief Officer license over 3000 GT and Full DP Unlimited Certificate with all mandatory STCW endorsements. Strong leadership in navigation, crew management, and safety compliance. Adept at making quick and effective decisions under pressure, ensuring operational efficiency and safety.
