COVER LETTER

Experienced Marine Mechanic with over 10 years of hands – on experience in maintaining and repairing marine engines and systems. Skilled in diagnosing mechanical issues, performing routine maintenance, and ensuring optimal vessel performance.

Committed to safety, efficiency, and continuous learning in maritime engineering.

I have worked in mixed crews with nationalities, such as the Indians, Greeks, Polish, Romanians, Indonesia, Croats, Jews and English with all members of the crew I found a common language and clashed.

I have only positive letters of reference from previous jobs.

I believe that I have the necessary experience and qualifications to enable me to execute the duties required of the post.

I do not have bad habits, I do not smoke and drink.

I would be grateful if you would consider my application for the position. I will be pleased to supply you with any further information should it be required.

This letter is to support my application for the position of 3th Engineer or Motorman in your company.

All the documents in compliance with STCW are available and I am ready to pass the necessary additional courses.
