1/2021 – 6/2023

**Mechanic & Electrician** at PETROCI CI 11 on board to the drilling rig GULFTIDE become platform

5/2020 – 9/2020

**Electrician** at NOPCI in freelance on board the FPSO / Floating Storage, Production BAOBAB Ivorian for the company CNR International

12/2018 – 3/2020

**Roustabout & Zodiac driver** at PETROCI CI 11 on board to the drilling rig GULFTIDE become platform

2/2017 – 12/2018

**Electrical Technician** at STL on board Passenger transport vessel

1/2014 – 1/2017

**Mechanic & Electrician** at SOTRA on board Passenger transport vessels

5/2013 – 8/2013

**Motorman** at ICM on board the semi-submersible drilling vessel West Leo for the company Seadrill

9/2011 – 12/2011

**Motorman** at ICM on board the semi-submersible rig vessel Deliverer for the company MAERSK Drilling

2/2010 – 9/2010

**Rig Electrician** at MENERGY on board the vessel Deepwater Pathfinder for the company TRANSOCEAN

1/2007 – 1/2010

**Electrician Cadet** at SOTRA on board Passenger transport vessels

## ACADEMIC QUALIFICATION

Full Name of School	Place of Issue	Grade/Class	From	To
Lloyd's Maritime Institute	USA / UK	Marine Electrical Engineering	2025	2025
CFC CaEngi Institute	Abidjan, Cote D'Ivoire	Certified Industrial Maintenance Mechanic	2024	2025
Regional Academy of Maritime Science and Technology	Abidjan, Cote D'Ivoire	Bachelor's degree / Officer in Electromechanical Engineering & Ship Repair	2013	2016
Jacqueville Vocational High School	Jacqueville, Cote D'Ivoire	Vocational High School Diploma in Vehicle and Machinery Maintenance	2008	2011
CPMA / Vocational High School	Abidjan, Vridi Cote D'Ivoire	Professional aptitude certificate in Electricity / CAP	2000	2003
Secondary inf. Offoumou Yapo Yopougou School Group	Abidjan, Yopougou Cote D'Ivoire	Secondary school certificate / BEPC	1994	1998

- Officer In Charge of Engineer Watch
- Electro -Technical Officer
- Fire Marshal onboard ship and rig offshore
- Boat and lifeboat driving license
- Security Awareness Training for All Seafarers
- Damen Ferry DFE Technical Training Diploma
- STCW Certificate of Abandonment and Survival at Sea
- HUET STCW certificate
- Training for seafarers with designated security duties
- STCW Firefighting Certificate
- STCW First Aid Certificate

## KEY SKILLS AND COMPETENCIES

Having vast experience 15+years of the ships, platform, FPSO / FSO, Tanker, Drill ship, Cargo, Passenger, Barge, operation, maintenance and condition monitoring the equipment and machinery of marine engineering systems in Electrical a few of them are appended below:

- Electrical systems
- Standards and safety
- Reading plans
- Preventive and corrective maintenance
- Use of tools
- Automation and IT support
- Lighting, ATM, circuit breaker, electrical wiring
- Gas turbines and Steam turbines
- Crane and all types of compressors
- All types of engines and generators
- Marine Boiler and Absorption air dryer
- All types of Pumps & firefighting systems
- Water maker desalinated and HVAC
- Spare parts management
- GMAO – MAXIMO – AMOS
