## • Personal Profile

I am a driven and results-oriented 2<sup>nd</sup> Officer with solid experience in towing, ERRV, and offshore support operations. DP Basic certified, I excel in navigational watchkeeping, vessel handling, cargo operations, and emergency response. I thrive under pressure, solve problems proactively, and work seamlessly with multinational crews. Safety, operational excellence, and continuous professional growth are my priorities, and I am eager to bring my expertise to a reputable offshore company while further developing my DP competence. I am motivated by complex offshore challenges and enjoy contributing to efficient, safe operations. I am committed to continuous learning and advancing my skills to support high-performing teams in demanding environments.
