PERSONAL PROFILE

I am a motivated, professional, and adaptable stewardess with hands-on experience on passenger and offshore vessels. Since starting my career in 2021, I have gained solid experience in various onboard hospitality tasks — from restaurant service to cabin and general area cleaning. I am highly responsible, detail-oriented, and capable of working independently under pressure in demanding environments.

I maintain high standards of cleanliness, hygiene, and organization to ensure comfort and safety onboard. Known for my initiative, reliability, and positive attitude, I adapt quickly to new challenges and contribute to the overall well-being of the crew. I am now seeking to continue my career in a stable offshore company and become a valuable part of the core crew.
