My Competency	
1	Bridge Teamwork
2	Port papers
3	Chart Corrections
4	Nautical Publications
5	Passage Planning, Rule of the Road
6	SMS management and implementation, PPE requirements
7	GMDSS Operation
8	Preparations prior to commencement of Operations
9	Maintenance of bridge equipment
10	Maintenance of LSA and FFA equipment.
11	Operational experience of various types of lifeboat
12	Role of the Master
13	Support of Chief Officer
14	Cargo Planning
15	PTW systems, ISM requirements, Risk assessment
16	Hazards associated with cargoes.
17	Personal safety, Ship safety & protection of the environment.
18	Previous Oil major experience
19	Emergency procedures

20	Experience in environmental protection and use of anti-pollution equipment.
21	Experience of managing crew members
22	Experience of transiting high density traffic areas
23	Experience with multinational crews
24	Experience with Products Crude and containers
25	Experience with role of Shipboard Safety Officer
26	PSC, SIRE 2.0, CDI , ISM, ISPS, USCG, Internal audit and other industry inspections.
27	Communications with other nationalities
28	Diversity Awareness
29	Teamwork
30	Written and spoken English to high standard.
