About Me

Good afternoon! It would be a very successful experience for me if I could be employed as Master in Your Company. I have experience on mostly Bulk Carriers equipped with cranes and some General Cargo vessels (including coasters; vessels with gantry cranes) in Master rank for more than 15 years with experience in Baltic sea bays and straits. Please, find attach with my CV form. For now, the most preferable vessel type for me is Bulk Carriers, but I am open to other offers. I would be much obliged for an early reply and If You are interested, I will be available for You on my phone or email any time. BRGDS,Valerij Proskin.+37068873059
