Notes			
I'm well-disciplined and responsible officer and have 7 completed contracts in capacity of master on bulk carriers PANAMAX SUPRAMAX, HANDYMAX and the last one was HANDYSIZE. During my sea service period I transported a lot of types of cargoes in bulk including grain, coal, cement, petcock, ore as well general cargo as steel products etc. Also I have a ship yard experiences, loading/discharging/transferring different kind of cargo from one vessel to another at anchorages and open sea. I'm quite familiarized with "Right Ship" inspections, many times passing USCG inspections and port state controls in different countries in Europe, Asia etc
