Notes

Dear Sir or Madam, I am writing to express my interest in the position of Captain (Master) within your fleet. I am a highly experienced maritime professional with extensive seagoing service on Bulk Carriers and Container Carriers, possessing strong navigational expertise, excellent leadership skills, and a proven commitment to safety and operational efficiency. Throughout my career, I have progressed from junior officer to master, gaining a comprehensive understanding of ship operations, crew management, and compliance with international maritime regulations. I am well-versed in modern navigational and communication systems, voyage planning, cargo operations, and documentation control, as well as coordination with port authorities, charterers, and agents. I have solid knowledge of international conventions and codes, including ISM, ISPS, MARPOL, and SOLAS, and I always ensure that the vessel's operation fully complies with all safety and environmental standards. I am fluent in English—both spoken and written—which allows me to communicate effectively with multinational crews, charterers, and port representatives, and to maintain clear and professional

documentation. My strengths include responsibility, decision-making under pressure, attention to detail, and dedication to maintaining the highest safety and performance standards on board. I am confident that my professional experience and leadership qualities can make a valuable contribution to your company's success. I would appreciate the opportunity to discuss how my background aligns with your company's needs and how I can contribute to the efficient and safe operation of your vessels.
