| <p>During two successful contracts on the Geotechnical Drilling Vessel (DP2), I was fully responsible for all galley operations — from menu planning and meal preparation to hygiene control and stock management — consistently maintaining a high standard of food quality and crew satisfaction. I have received excellent feedback from both crew and clients for the quality, variety, and presentation of meals served on board. Previously, I worked as both day and night cook on Ro-Pax ferries, providing meals for 40 to 125 crew members and passengers. Skilled in preparing breakfasts, main courses, salads, appetizers, and dishes with high presentation standards.</p> <p>I possess in-depth knowledge of menu planning, provisioning, and inventory management, considering voyage duration, storage limitations, and special dietary requirements. Competent in preparing vegetarian, allergy-friendly, and culturally diverse meals for multinational crews. Recognized for efficient galley management, cost control, and maintaining excellent sanitation standards during inspections. A reliable, proactive, and dedicated professional committed to providing nutritious, well-balanced meals that support crew morale, health, and performance during offshore operations.</p> |                            |                             |                                                      |           |
