## Marine Engineer

**E-mail** ygomash196@gmail.com | **Phone** +968 79270781 | **Address** Muscat, Oman | [Linked In](#)

### SUMMARY

Marine Engineer with a bachelor's degree and a 3rd-Class Officer Engineer Certificate of Competency from Oman's Ministry of Transport. Completed seven months aboard VLCC and chemical tanker, mastering engine-room operations, Propulsion system, Engine room procedures, Planned Maintenance System (PMS), bunkering operations, inspections, and safety protocols. Fluent in English and committed to upholding international maritime standards.

### EXPERIENCE

**May 2024 - September 2024**  
**Engine Cadet (VLCC Oil Tanker)**  
**Asyad Shipping COMPANY**

- Collaborated with senior engineers to troubleshoot and resolve mechanical issues, minimizing downtime during operations.
- Participated in engineering watches, oil transfer operations, multiple bunkering operations, gained practical experience during cargo loading and discharge operations, contributed to various inspection activities, and supported compliance with safety and environmental regulations.

**June 2023 - September 2023**  
**Engine Cadet (Chemical Tanker)**  
**Asyad Shipping Company**

- Collaborated with senior engineers to monitor and record operational data for engine room equipment, facilitating timely troubleshooting and alignment with safety and environmental protocols.
- Improved vessel efficiency by assisting in the planning and execution of preventive maintenance programs for all machinery systems.
- Maintained accurate records of engine room activities, facilitating clear communication among crew members and adherence to protocol.

### EDUCATION

Jul 2025

**Bachelor of Science in Marine Engineering**

International Maritime College Oman (IMCO) | Liwa, Oman - 2025

- **Dean's List (2025)**
- **3.48 GPA**

## CERTIFICATIONS

- STCW Basic Training.
- Basic Training for Oil and Chemical Tanker Cargo Operations.
- Basic Training for Liquefied Gas Tanker Cargo Operations.
- Designated Security Duties.
- Advanced Fire Fighting.
- Medical First Aid.
- Survival Craft and Rescue Boats.
- Leadership and Teamwork, including BRM and ERM(engine resource management).
- High Voltage Training Course.

## SKILLS

- **Technical skills:** Preventive & corrective maintenance, Marine Machinery operation, Watchkeeping experience, Safety management systems (SMS), Emergency response, Mechanical and electrical systems, Efficient fuel management.
- **Soft skills:** Teamwork and collaboration, Communication skills.

## LANGUAGES

Arabic (Native)

English (Proficient)

## ACTIVITIES & INTERESTS

### Community Volunteer – Youth NGO Initiative, Babylon, Iraq 2013 – 2016

- Collaborated with a youth-led non-governmental organization to raise public awareness and social responsibility.
- Helped organize youth talent events and community activities to encourage creativity and skills development.
- Coordinated charitable activities such as clothing drives and fundraising campaigns to support underprivileged families.

### Hobbies

- **Filmmaking** – Passionate about cinema; wrote, co-directed, and edited a short film; currently developing a second project.
- **Creative Writing** – Lifelong passion for writing—poetry, prose, and articles shared on my personal platform.
- **Swimming & Gym** – I love staying active: swimming regularly and following gym training schedules help me stay focused, committed, and balanced.

## ADDITIONAL INFORMATION

**Seafarer Identity Documents: Iraqi, Omani, and Marshall Islands (SID)**
