Notes					
I'm a young specialist. I've been to Drydock more than once. I'm well versed in modern electronics and electrical engineering. I'm always engaged in self-education and quickly learn new knowledge. I have always had good friendly relations with the ship's staff. I'm now actively seeking a permanent position with a stable and quality-focused company. I am looking for a long-term partnership where I can fully dedicate my skills and professional expertise
