I additionally have several educations: Institute of Cold, Cryotechnology and eco-energy named after V. S. Martynovsky Odessa National Academy of Food Technologies. He completed his bachelor's degree and continued studying for a master's degree in 2016-2018 in the field of "Power Engineering". Additionally graduated from Odessa National Maritime University 2021 Specializing in "River and Sea Transport". Received a diploma as a ship mechanic. (Bachelor's degree). Currently I am a 4th year graduate student at the Institute of Cold. Sociable, I get along well with the team. I love learning new and complex things. I believe that there are no unsolvable problems. Very hardworking. My knowledge of English is at a conversational level, but I can easily find contact. I freely read and translate documentation, fill out documents.
