HENNADII SOKOL

BOATSWAIN / AB

ABOUT ME

Highly motivated Boatswain with 11 years of experience at sea on container ships. Now looking the job at offshore, ro-ro, ropax and ferry vessels. Proficient in safe lifting operations using shipbord cranes, monorails and davits. Leadership, communication and teamwork in multicultural environments

MARITIME EXPERIENCE

Container Ship “MSC HONG KONG V”- 66686 DWT
BOATSWAIN Company: *MSC CREWING SERVICES*
28.02.2025 - 29.08.2025 **LIBERIA**

Duties:Supervised deck crew and carried out daily work allocation based on operational priorities. Oversaw mooring and anchoring operations, ensuring safe line handling and proper use of deck machinery. Managed deck maintenance, including rust removal, surface preparation, painting, and minor repairs. Operated and supervised lifting equipment such as cranes, monorails, and davits. Monitored rigging gear condition, ensuring proper marking, certifications, and replacement of worn items. Maintained inventory of paint and consumables, checking expiry dates and planning orders to avoid shortages.

Container Ship “MSC Celine”- 39000 DWT
BOATSWAIN Company: *MSC CREWING SERVICES*
14.07.2024-06.12.2024 **PANAMA**

Duties:Led a multicultural deck team, assigning daily tasks, briefing crew, and monitoring job completion. Directed all mooring stations, operated winches and windlasses, and ensured safe execution of port operations. Coordinated deck upkeep activities including chipping, sanding, priming, coating, and routine mechanical work. Supervised lifting operations involving ship cranes, monorails, davits, and associated rigging equipment. Performed inspections of lifting gear, rigging tools, and deck fittings, reporting defects and arranging replacements. Handled full paint stock control: inventory, storage checks, preparation for use, and ordering new supplies. Managed deck equipment inventory, tool maintenance, and procurement of spare parts or repair kits.

Container Ship “MSC RAYA”- 272405 DWT
ABLE SEAMAN Company: *MSC CREWING SERVICES*
19.03.2023-28.09.2023 **LIBERIA**

Duties: Vessel commissioning: equipment testing, deck system inspection, and safety checks. Maintaining a navigational watch, maintaining cargo watch, mooring operations, cleaning.

EDUCATION

*Kyiv State Maritime Academy After Hetman Petro Konashevich-Sahaydachniy -
Bachelor of navigation sea and river transport*

Container Ship "MSC KUMSAL"- 103378 DWT

ABLE SEAMAN *Company:MSC CREWING SERVICES*

20.01.2022- 14.11.2022

LIBERIA

Duties: Performed bridge lookout duties, assisted with helm orders, and maintained safe navigational watch. Participated in mooring and unmooring operations, handling lines and operating deck equipment. Assisted in anchoring procedures and maintaining anchor gear. Carried out deck maintenance, rust removal, painting, and basic repairs. Took part in container lashing operations using twist locks and lashing gear. Maintained firefighting and lifesaving equipment and joined all emergency drills. Supported general ship maintenance, cleaning decks and maintaining tools.

Container Ship "MSC SARISKA"- 52181 DWT

ABLE SEAMAN *Company:MSC CREWING SERVICES*

31.03.2021- 08.10.2021

PANAMA

Duties: Conducted navigational lookout, assisted with helm, and contributed to safe bridge watchkeeping. Participated in line handling, mooring winch operations, and deck safety during port calls. Assisted with anchor work: preparing gear, handling shackles, and monitoring chain movement. Performed deck preservation tasks: sanding, painting, and minor maintenance. Engaged in cargo securing with standard container lashing equipment. Maintained general cleanliness and order on deck and working stations.

Container Ship "FIONA"- 23064 DWT

ABLE SEAMAN

Company: Regal Agencies Corp.

20.01.2020- 09.09.2020

GIBRALTAR

Duties: Supported bridge team with lookout and steering duties during sea passages. Worked on mooring stations, securing the vessel during arrival and departure. Prepared and maintained anchoring equipment and reported any issues. Engaged in deck maintenance, including washing, chipping, and painting. Participated in container lashing, ensuring all fittings were correctly in place. Carried out general shipboard maintenance and cleanliness tasks. Experience operating ship cranes: hatch cover shifting, stores loading, wire and sheave replacement. Performed crane operations during container discharge.

Container Ship "FIONA"- 23064 DWT

ORDINARY SEAMAN

Company: Regal Agencies Corp.

19.03.2019-22.09.2019

GIBRALTAR

Duties: Worked as lookout and steering support during navigational watches. Managed gangway access, ensuring proper identification and ISPS control. Assisted the deck crew in all mooring operations and equipment handling. Helped in anchoring procedures and maintained anchor handling gear. Performed deck work including corrosion removal, painting, and basic mechanical tasks. Secured container stacks using approved lashing tools and fittings. Maintained deck areas, tools, and equipment in clean and serviceable condition.
