## Summary

I am looking for a challenging position where I can use my people skills and apply my English and maritime knowledge. I can only work remotely. Thanks to my education and interest in the maritime sphere, I believe that I will become a valuable asset to your company. I speak Ukrainian and Russian and have an intermediate level of English. I will be happy to discuss my experience during an interview with you. If you need more information, please contact me at +380965207115.

---
