About Me : Since 2006 I work on vessels as the Captain. For the worked period has proved as the competent, responsible, hardworking specialist differing in profound professional knowledge. Sea and commander's qualities excellent. I have wide experience of management of ship, it is sure I feel on the bridge under difficult conditions of swimming. I do not allow negligences on duty, demands the same from subordinates. Correctly I use under operating conditions vessels ship documentation, stability booklet, floodability, the instruction for ballasting of the vessel. Has thoroughly studied and am guided in work as the international regulations, conventions, documentation on ISM and ISPS. Practical knowledge of English conforms to requirements of mate and commercial work. I am able to organize competently ship service in respect of safety of navigation, cargo operation, commercial operation and repair work. For all worked period of accidents and emergency incidents through my fault was not.
