About Me

My name is Dmytro Solomskyi. I'm 25 years old. I have been working in the sea for 7 years. Since I started working at sea I have been on a big amount of different ships as container,balker,RO-RO-pax. I have got experience in different dangerous situations on board. In last two contracts I had promotion with good marks. I really want to join the position of 3rd Officer,because I have got big experience in AB position and ready to work hard in new position. On every ship my work was more than 100%, I'm hardworking and don't afraid of work,what is more important ,in my opinion, is that I am not afraid of responsibility and am ready to take it upon myslef.
