OBJECTIVES

Looking for an exciting and busy role where I can showcase my ability to work hard under pressure and deliver superior attention to detail. With the right attitude, I believe this is an industry I will be able to excel within and I am looking forward to proving myself.

I am familiar with all aspects of vessel management and administration, including ISM/ISPS, MLC, flag state requirements as well as accurate accounting and reporting. With a strong work ethic, I am very loyal and absolutely committed to ensuring our owner and guests derive the greatest satisfaction from their vessel.

ABOUT ME

I have worked alongside a number of different nationalities and have always prided myself on maintaining strong and positive relationships with those I have worked with. I am a professional individual with developed interpersonal and communicative skills.

I am extremely hard working, a self-starter, displaying both a committed and flexible approach to work. I thrive on new challenges, have an intense passion for the industry and I am looking for a position where I can apply my experience, knowledge and personal skills, not only becoming a valued crew member but allowing me to broaden my knowledge and experience in this industry. I thrive on new challenges, have a great sense of humor and an intense passion for all things water related.

WORK EXPERIENCE

2nd Officer - Stamco Ship Management /Greece
