Cover Letter

Good Day, Dear Sirs!

My name is Pinaiev Dmytro and I write regarding the possible vacant position on LPG/LNG tanker fleet. I am from Ukraine, Odessa, but temporary in Germany now. I graduated in Marine navigation from Odessa Marine Academy in 1996 (started in 1990). I have been working on LPG/LNG/Tankers carriers for the last 20 years, on various types: fully/semi pressurized, Lpg/Ethylene/chemical, Lng/Ethylene/Lpg carrier and fully refrigerated with positive appraisals. I have experience on STS operations, flag / management change and passing various type inspections: CDI, PSC, FSI, USCG, ConocoPhillips, Oil bulk, Repsol, charter(Cepsa), ENI/ENOC Sire, ERG Supply & Trading S.P.A.Vetting, Preem AB, Statoil, Marpol /class..., experience operational use of ECDIS JRC and MARIS systems without paper charts. English level is good, cooperation in crew (different nationality) is sincere and without problem. Also I am a holder of full in force set and relevant marine documents with the Netherlands Unlimited Certificate of Proficiency, full term the Netherlands of Dutch COP & COC., Malta, Portuguese and Singapore's endorsements.

I have been working honesty and without accident, carry out the company policy, a navigating situation under due control at all time during my long seagoing experience. I look for the stable company for realization of the knowledge and skills and want to continue my professional career on LPG/LNG Tanker fleet with preferred salary!
